

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid. Interest at $6\frac{1}{2}$ per cent per annum will be levied on all arrears of amount permitted to be paid after the due dates.

10. The timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

M. A. MUTHANNA,
District Forest Officer.

ENGINEERING DEPARTMENT

BUILDINGS DIVISION.

Notification dated 14th February 1939.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Buildings Division, up to 3rd March 1939, at 2 P.M., for constructing a building for the Kannada Girls' Middle School at Malleswaram, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1939.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees 1,050 (One thousand and fifty only) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing a building for the Kannada Girls' Middle School at Malleswaram, Bangalore in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Mysore Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Executive Engineer's Office, in due course. No enquiry regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates once tendered will not be enhanced on any account.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the department or those fixed by the Executive Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Executive Engineer will be final and legally binding.

12. Quotations must be given in words as well as in figures and they must be in specific term of unit shown against each item of work. Any quotation quoted at so much percentage less or more than estimated rate will not be accepted.

Abstract estimate of quantities for constructing Kannada Girls' Middle School at Malleswaram, Bangalore.

B. R. GARUDACHAR,
Executive Engineer.

MYSORE DIVISION.

Abstract Notification dated 10th February 1939.

The attention of the public is hereby invited to the advertisement on pages Nos. 313-315, Part VI of the *Mysore Gazette*, dated 16th February 1939, calling for tenders for the work of extending Lakshmanapur Channel, Heggaddevankote Taluk.

D. A. HUKERI,
Executive Engineer.

HASSAN DIVISION.

Abstract Notification dated 4th February 1939.

The attention of the public is invited to the Notification in the *Mysore Gazette*, dated 9th February 1939, *vide* pages 279-281, Part VI, calling for tenders for constructing a new tank between Ayarahalli and Yagati Villages, Channarayapatna Taluk, and the last date for the receipt of tender is 3rd March 1939.

Abstract Notification dated 9th February 1939.

The attention of the public is invited to the Notification in the *Mysore Gazette*, dated 16th February 1939, *vide* pages 316-317, Part VI, calling for tenders for the restoration of a portion of Navile Tank, Channarayapatna Taluk and the last date for the receipt of the tenders is the 4th March 1939.

Notification dated 17th February 1939.

Sealed tenders will be received at the Office of the Executive Engineer, Hassan Division, Hassan, up to 13th March 1939, till 3 P.M. for restoring Doddagaddavalli Hirekere tank, Salagame Hobli, Hassan Taluk.

2. Tenders in the prescribed form obtainable in the Office of the Executive Engineer, Hassan Division, Hassan, should be addressed to the Executive Engineer, Hassan Division, Hassan, and should be superscribed as "Tender for restoring Doddagaddavalli Hirekere tank, Salagame Hobli, Hassan Taluk."

The name of the tenderer should also be superscribed on the sealed cover.

3. Each tender must be accompanied by a deposit of Rs. 200 only in cash as earnest money. The earnest money of the successful tenderer will be retained as cash security for the due fulfilment of the contract. (Cash amount will not carry any interest). In case of the acceptance of the tender an addition of the five per cent of the estimated amount as security deposit should be paid at the time of executing the agreement in the Public Works Department Form.

4. The tenders will be opened in the presence of such tenderers who wish to be present on the date of opening. The final acceptance of the tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reasons whatever for the rejection of any.

5. The name of the successful tenderer will be posted on the Notice Board in the Office of the Executive Engineer in due course. Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreement in the departmental schedule contract form, for the due fulfilment of the contract.

6. Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

7. Copies of contract documents, estimates and drawings may be seen at any time at the Office of the Executive Engineer, Hassan Division, Hassan, on all working days between 11 A.M. and 5 P.M.
